Dear Property Owner:

The Raleigh City Council has approved the 2011 Bond for the subject project. The proposed improvements consist of installing sidewalk in areas that currently does not have sidewalk. Our engineering staff has completed initial studies and preliminary design mapping is now available for the purpose of showing you the proposed improvements.

To accomplish this, we have scheduled a public meeting for **Thursday, February 28, 2013** at the Jaycee Community Center, 2405 Wade Avenue, Raleigh, NC 27607 (a location map is provided on the reverse). We will be available from 6:00 P.M. to 8:00 P.M. for you to informally see the design and ask any questions.

Individuals with hearing impairments needing interpreter services should provide 48-hour notice by calling (919) 996-3100 (voice) or (919) 996-3107 (TDD).

Should you have any questions regarding this notice, please contact Sammy G. Wood, PE – Project Engineer II at (919) 996-3030 or via e-mail at sammy.wood@raleighnc.gov. We look forward to seeing you at the meeting.
