

Environmental Education

Have you ever wondered whether squirrels build nests or what types of fish live in our lakes? Do you want to know how we can protect the wildlife that lives around us? Join our staff to discover common plants and animals that are found in the Piedmont and native to North Carolina. Learn about their importance in our ecosystem while exploring and investigating our natural environment.

Fee: \$5

Ages:
8-12 years

Dates:
July 16, 2016
10AM– 12PM
Aug. 13, 2016
10AM– 12PM

Locations:
Lake Wheeler
